The above Audited Financial Result has been reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on 28th June 2021.

The Statutory Auditors of the company have carried out the Audit of the Company and issued an Audit Report, now attached herewith. The figures of the three months ended 31st March 2021 and 31st March 2020 are the balancing figures between audited figures in respect of full financial year and published year to date figures up to the previous quarter of the respective financial year.

The company invested huge resources in developing technology, infrastructure, marketing, promotions, business process and fulfillment services over the last years in order to expand its retail network and customer base. Since it is an innustrie process of Retailing where

the company orchestrates 3rd party physical retail stores with virtual inventory, the business model requires continuous investrit reaches the breakeven point and turns profitable.

it reaches the breakeven point and turns profitable.

In March 2017, the company had been classified into the Graded Surveillance Measure (GSM) list by BSE. The criteria for classifying the company into GSM was not very clear to us. The impact of classifying company in GSM by BSE had led to trade restrictions and a complete roadblock! In terms of raising additional capital from new investors. Thus new fund raising had became an extremely challenging and a daunting task. At present the company is placed in stage I of GSM list. Consequent to classifying into GSM and failing in raising fresh capital for Internet Retail businessthe business, the company has suspended it's Internet Retail operation wef 1st April, 2017. The company is exploring various opportnities and partnerships in order to revive its Internet Retail activities. Acquisiton process of Citicycle India Pvt. Limited and making it as 100% subsidiary of the company as per the Memorandum of Understanding sigend with the company and its promoters has been cancelled as no substantial and milestone progress has been made by them and the conditions, precedent have not been compiled with by them. Upon the recommendation of the Audit Committee towards financial rehabilitation of the company, subject to the approval of the members and other regulatory authorities, the Board recommended & approved the reduction of capital of the company by way of reducing the present face value of Rs. 4 (Rs. FOUR) each share to Re. 1 (Re. ONE) which shall result in reduction of capital by Rs. 639 lacs. The effect of the same however, shall be given in the financial statement only upon obtaining all the required approvals from the members and regulatory

same however, shall be given in the financial statement only upon obtaining all the required approvals from the members and regulator authorities. The scheme of financial rehabilitation is under review based on the development in the recent past and shall be revised base on the overall business conditions

On the overall business conditions.

The SARS-CoV-9 virus responsible for Covid-19 continues to spread across the globe and India, which has contributed to a significant decline and volatility in global and Indian finance markets and a significant decrease in global and local economic activities. On March 24,2020, the India government announced a strict 21 day lockdown which was further extended time and again across the country to contain the spread of virus. During the year the company had no major business activities and hence the Company has considered and concluded that there is no material impact that may result from COVID-19 in preparation of these financials statements, including recoverability of assets. In developing the assumptions relating to future uncertainties in the economic conditions due to COVID-19, the management has, at the date of approval of these financial statements, used relevant internal and external sources of information including economic forecasts and expects that the carrying amounts of these assets are recoverable. The impact of COVID-19 may be different from that estimated as at the date of approval of these financial statements.

Previous period/year figures have been regrouped re-arranged, wherever necessary, to confirm to current year presentation.
