MANAGEMENT DISCUSSION AND ANALYSIS REPORT

COMPANY OVERVIEW:

Ganga Papers India Limited is engaged in manufacturing of paper and paper products. The company offers wide range of paper including Newsprint Papers, Writing paper and Kraft paper. The products manufactured by your company are primarily used for industrial, packaging, stationery & textbook purpose. The products have wide acceptability across the globe. Your Company generates wealth out of waste by using recycled grades of waste paper as prime source of raw material & making 100 % eco-friendly paper.

Ganga Papers India Limited believes that social responsibility comes with corporate development. Therefore, from the very beginning, we have been investing into environmental protection facilities, aiming at minimizing our impact to the environment.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

The Paper and Paper Products Industry encompasses the manufacturing and production of a wide array of paper-based materials, including newsprint, writing and printing paper, paperboard, packaging materials, tissue paper, specialty papers, hygiene products, stationery and disposable tableware.

India ranks as the 5th largest producer of paper in the world. However, the Indian Paper Industry accounts for a meagre 4% of global paper demand. The per-capita consumption of 14-15 kgs is significantly lower than the world average of around 57 kgs. India's per capita consumption is considerably lower than China's 65 kg, Indonesia's 22 kg, Malaysia's 25 kg and of course USA's 312 kg consumption levels.

Further, for clarification Paper and Paper Products Industry has been formed by merging three existing Industries namely "Paper—Industrial, Paper—Writing and Printing and Paper Newsprint".

• **New Development in Focus**

As per the Indian Paper Manufacturers Association (IPMA) a substantial reduction in water consumption within the paper industry, highlighting a significant drop from the previous benchmark of 200 cubic meters of water per tonne of paper to a mere 40 cubic meters. Besides water efficiencies, the industry has worked on reducing energy consumption.

Integrated paper mills generate over 40 per cent of their power requirement by utilizing the biomass from the pulping process. IIT Roorkee (IITR) research team developed a coating for disposable paper that is water soluble. It will be used in various applications with requirements of food freshness retention and replace plastic coatings commonly used in food-grade packaging papers and paperboards.

• **Growth Drivers**

Literacy and Government Schemes: With the reopening of schools and rising enrolment numbers

including Government schemes like Sarva Ahiksha Abhiyan, Rashtriya Madhyamik Shiksha Abhiyan and Rashtriya Uchcha Shiksha Abhiyan will continue to support the writing and printing paper growth.

Health and hygiene: The demand for medical-grade tissues has risen, along with higher office and paper consumption in hospitals.

Green packaging: The Indian paper packaging industry is growing on account of better paper packaging quality, consumer choice and a shift towards eco-friendly alternatives.

Diversification: Paper companies are diversifying their product portfolio by producing hygiene products like facial tissues and household items like paper towels.

E-commerce boom: As per West Coast Paper Mills, the Indian e-commerce industry is expected to grow to USD 200 billion by 2026, catalyzed by smartphones and influencing the demand for packaging boards.

Advertising and Marketing: The advertising and marketing sector continues to drive demand for printed materials such as flyers, posters and billboards.

OPERATIONS & FINANCIAL PERFORMANCE:

The operations of the Company are satisfactory considering the present slowdown in the economy and the management is striving to achieve better results. The management is taking all necessary steps including various modifications in the plant to ensure the full and efficient running of the plant. The summarized performance of Company during the year was as under:

(Rs. In Lakhs)

Particulars	Current Year (2023-24)	Previous Year (2022-23)
Sales	24,549.86	29,794.72
Profit for the year (after tax)	147.78	325.40

OPPORTUNITIES

- Large and growing domestic paper market and increasing export market for its products.
- Strong customer base and dealers/distributors network.
- Governments thrust for education and literacy coupled with increasing disposable income and overall economic growth of the nation.
- Sufficient infrastructure available with the Company for future expansion.
- Steady increase in preference to branded products by consumers, booming e-commerce and healthy growth in organized sector are the driving force for robust demand for paper and paperboard.

THREATS

- Increasing coal cost
- Increasing competition from electronic media and digitalization.
- Numerous Regional Trade scheme (RTs)/Free Trade Agreement (FTAs) without adequate safeguard to the domestic industries.

RISKS & CONCERNS

The paper industry is cyclical in nature and its performance depends on the global pulp and paper demand supply situation. The industry is presently witnessing slowdown in demand. The Company has well-diversified product portfolio which insulates it from the cyclical impact to some extent. Further, Digital technologies such as e-books and online content platforms pose a threat to the writing and paper industry. As more consumers switch to digital formats, the demand for paper based products may decline, negatively impacting the industry's performance. However, given the growth potential, outlook for company's products looks promising.

INTERNAL CONTROL SYSTEM & ITS ADEQUACY

The effort of the Company to strengthen its internal control systems and their adequacy has yielded fruitful results. The system of internal control is working towards development of transparent and efficient policies for strict adherence to management rules and policies as well as ethical conduct within the organization. The internal control systems are further designed to ensure reliability in financial records and other records for preparing financial information.

OUTLOOK:

During the year under review, we have succeeded to a greater extent in fulfilling the demands of our consumers and we hope that in the financial year 2024-25, we continue with our endeavors and grow even faster. Ganga Papers India Limited (GPIL) commits you that we will put all efforts in successfully running this plant and to make your Company one of the biggest **papers producing Company in India** as we say that **"Making Paper is our Passion"**.

HUMAN RESOURCE DEVELOPMENT:

The Company has drawn specific programme to improve the skill of the workers so as to rationalize the manpower. Further it is providing necessary training to the manpower. There is a continuous interaction between the management, union and workers. The Company employs 174 people as on 31st March, 2024.

KEY FINANCIAL RATIOS:

Particulars	2023-24	2022-23
Debtors Turnover Ratios (times)	54.97	43.16
Inventory Turnover Ratio (times)	31.65	22.91
Current Ratio (times)	1.21	1.15
Interest Coverage Ratio (times)	2.69	3.32
Debt Equity Ratio (times)	1.27	1.61
Operating Profit Margin (%)	1.73	2.41
Net Profit Margin (%)	0.82	1.49
Return On Net Worth (%)	5.08	11.78

The Return on Net Worth decreased from 11.78% in the previous year to 5.08% in the current year owing to major fluctuations in raw material prices and growing competitive market.

CAUTIONARY STATEMENT:

The management of Ganga Papers India Limited (GPIL) has prepared this report and is responsible for the same. Statements in this Management Discussion and Analysis, describing **the Company's objectives, projections, estimates and expectations may be "forward looking statements"**

within the meaning of applicable laws and regulation and the management has based them on its current expectations and its projection about future events. Actual result might differ materially from those either expressed or implied.

INDEPENDENT AUDITORS' REPORT**To the Members of Ganga Papers India Limited****Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of **GANGA PAPERS INDIA LIMITED** (the 'Company'), which comprises the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March, 2024**, its profit including other comprehensive income, its cash flows and the Statement of Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Re. GANGA PAPERS INDIA LIMITED
Independent Auditors' Report for 31st March, 2024 (Contd...)

Sl. No.	Particulars
1.	<p>Key Audit Matters Evaluation of uncertain tax positions : The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes. Refer notes 28(b) to Financial Statements</p> <p>Auditors' Response Principal audit Procedures : Obtained details of the matter from management. We involved our internal experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome to the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2024 to evaluate whether any change was required to management's position on these uncertainties.</p>

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Annual Report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Re. GANGA PAPERS INDIA LIMITED
Independent Auditors' Report for 31st March, 2024 (Contd...)

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Re. GANGA PAPERS INDIA LIMITED
Independent Auditors' Report for 31st March, 2024 (Contd...)

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

Re. GANGA PAPERS INDIA LIMITED

Annexure-B to the Independent Auditors' Report

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Ganga Papers India Limited ("the Company") as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Financial Statements.

Re. GANGA PAPERS INDIA LIMITED**Annexure-B to the Independent Auditors' Report for 31st March, 2024 (Contd...)****Meaning of Internal Financial Controls over Financial Reporting with reference to these Financial Statements**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to these Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended 31st March, 2024**A. Significant Accounting Policies****A.1 Company Overview and Significant Accounting Policies :****(a) Company Overview**

Ganga Papers India Limited (hereinafter referred to as '**the Company**'), a public limited company is engaged primarily in the business of manufacturing of Newsprint and Kraft papers, pulp and paper products. The Company has its registered office at Pune, Maharashtra, India. The Company has its listing on BSE Limited.

(b) Basis of Preparation and Presentation of Financial Statements

- i) The financial statements of Ganga Papers India Limited ('the Company') have been prepared and presented under the historical cost convention on the accrual basis of accounting, unless stated otherwise and comply in all material aspects with the Indian Accounting Standards ('Ind AS') including the rules notified under the relevant provisions of the Companies Act, 2013.
- ii) Company's financial statements are presented in Indian Rupees, which is also its functional currency.

(c) Use of Estimates

The preparation of Financial Statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions that affect the application of accounting policies and the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities as at the date of the Financial Statements and the reported amount of revenues and expenses during the reporting year. Accounting estimates could change from period to period. Actual results could differ from those estimated. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

(d) Property, Plant & Equipment

- i) Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- ii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.
- iii) Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.
- iv) Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress
- v) Depreciation on Property, Plant & Equipment is provided to the extent of depreciable amount on the Straight Line Method (SLM). Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.
- vi) In respect of additions or extensions forming an integral part of existing assets, depreciation is provided as aforesaid over the residual life of the respective assets.

(e) Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition.

Notes to the Financial Statements for the year ended 31st March, 2024**(f) Impairment of non-financial assets - property, plant and equipment and intangible assets**

- i) The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.
- ii) An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(g) Finance Costs

- i) Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.
- ii) Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.
- iii) All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(h) Provisions

- i) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.
- ii) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(i) Tax Expenses

- i) The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.
- ii) Current tax : Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.
- iii) Deferred tax : Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

MAT Credit : Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, in accordance with the provisions contained in the Guidance Note on Accounting for Credit Available under Minimum Alternate Tax, issued by the ICAI, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as 'MAT Credit Entitlement'. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Notes to the Financial Statements for the year ended 31st March, 2024**(j) Foreign Currency Transactions and Translation**

- i) Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.
- ii) Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets. Additionally, exchange gains or losses on foreign currency borrowings taken prior to April 1, 2017 which are related to the acquisition or construction of qualifying assets are adjusted in the carrying cost of such assets.
- iii) Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

(k) Revenue Recognition

- i) Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.
- ii) Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.
- iii) Revenue from operations includes sale of goods, excise duty and adjusted for discounts (net), and gain/ loss on corresponding hedge contracts.
- iv) Interest income : Interest income from a financial asset is recognised using effective interest rate method.

(l) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(m) Cash Flow Statement

- i) Cash flows are reported using the Indirect Method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.
- ii) Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents

(n) Financial instruments**i) Financial Assets****A. Initial recognition and measurement**

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement**a) Financial assets carried at amortised cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Investment in subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial liabilities
A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

iii) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

A.2 Critical Accounting Estimates :
(a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

(b) Recoverability of trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

(c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

(d) Impairment of non-financial assets

- i) The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.
- ii) In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

(e) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.
